The BC Arts Council acknowledges it carries out its work on the land of Indigenous nations throughout British Columbia. We are grateful for the continuing relationships with Indigenous people that develop through our work together. We acknowledge and raise our hands to the ɫəkʷəŋən (Lkwungen) people, known today as the Songhees and Esquimalt Nations, on whose ancestral lands we operate our main offices.

About the BC Arts Council

For more information about the BC Arts Council's mandate, vision, values, and strategic directions, visit the [About](#) and [Priorities](#) sections on the BC Arts Council website.

In the [Extending Foundations: Action Plan for 2022-2024](#), the BC Arts Council reaffirms its commitment to principles of reconciliation, equity, diversity, inclusion and access in all of its programs and processes. The Council conducts its own operations and funding activities in accordance with legislation such as the [BC Human Rights Code](#), [Accessible BC Act](#), [Accessible Canada Act](#), the [Declaration on the Rights of Indigenous Peoples Act](#) and Action Plan, and the [United Nations Declaration on the Rights of Indigenous Peoples](#), as well as the [Calls to Action of the Truth and Reconciliation Commission](#).

In addition to the integration of equity criteria across all funding programs, consideration will be given to [designated priority groups](#) identified by the BC Arts Council. These groups have been identified in order to achieve strategic direction commitments and correct funding gaps illuminated through recent evaluations and consultations. The designated priority groups consist of applicants who are:

- Indigenous (First Nations, Métis, or Inuit);
- Deaf or experience disability;
- Black or people of colour; or
- Located in regional areas (outside [greater Vancouver or the capital region](#)).

Organizations whose statement of purpose includes support for and who are led by arts and cultural practitioners rooted in communities as listed above are considered a designated priority group.

Who Can Apply

If your organization does not meet the eligibility criteria, your application will not be forwarded for assessment. **To be eligible, an organization must:**

- Provide an annual program of year-round, community-based arts and cultural programming and engagement and have done so for a minimum of one year.
- Fairly compensate artists, arts and cultural practitioners, technicians, Elders, and Knowledge Keepers. Compensation must align with community contexts or sector standards within the field of practice, including adhering to international intellectual property rights standards and cultural ownership protocols.
- Adhere to the Criminal Records Review Act which requires that people who work with or may have unsupervised access to children or vulnerable adults must undergo a criminal record check by the Criminal Records Review Program.

Grant programs that fulfill this eligibility criteria include Project Assistance: Community Arts Organizations; Arts-Based Community Development; and Arts Impact Grants. Grant programs that do not fulfill this eligibility criteria include but are not limited to: Pivot Program; Arts Infrastructure; Resilience Supplements; Community Arts Festivals; Professional Project Assistance; Touring; Early Career Development; Youth Engagement; or Co-op Placement.

Applicants must also:

- Be a Community Arts Organization, registered and in good standing as a non-profit society or community service co-op in B.C. for at least one fiscal year prior to application, with a dedicated arts and culture purpose.

For the purposes of eligibility for this program, Community Arts Organizations are:

- non-profit community arts councils;
- community driven, generally non-professional, volunteer-managed arts and culture organizations; and
- community-based arts and cultural centres, whose primary purpose is community centered engagement and access to the arts.

They offer a range of programming focused on enriching a specified community through a range of arts disciplines and experiences, using a grassroots approach to providing wider service to the community beyond their membership. Although generally community-led, community arts organizations may also engage and collaborate with professional artists and arts practitioners, arts administrators and Elders or Traditional Knowledge Keepers.

OR

- Be an Indigenous Friendship or Indigenous (First Nations, Métis, Inuit) cultural centre offering dedicated arts and culture programming, with a community-based board of management that sets policy for the centre's public programs and services. *Note: Indigenous Cultural Centres with a physical collection and display space are served through Operating Assistance: Public Museums and Indigenous Cultural Centres.*

AND

- Demonstrate a range of membership and engagement that is representative of its constituency or community, including diverse cultural and Indigenous populations;
- Receive cash support from local and regional governments (i.e. cash for operations or annual programs, not in-kind), including First Nations Band Councils and Trusts where applicable.

FOR REFERENCE ONLY

In addition to the above eligibility criteria, organizations should have stability in current operations, both administratively and financially. Stability would be demonstrated through:

- Having appropriate board leadership and, if applicable, skilled artistic or administrative leadership (paid or volunteer) that maintains consistency in operations and programming;
- Ongoing and diverse sources of revenues outside of BC Arts Council programs;
- Ability to plan programming and activities up to two years into the future; and
- The capacity to compile annual financial and statistical information.

Confirmation of eligibility and intention to apply should be established with a Program Advisor prior to submitting an application. Ineligible applications will not be forwarded for assessment.

Exclusions

Operating assistance is not available to support:

- Budget deficits;
- [Capital expenditures](#) (construction, renovation, or purchase of property or equipment);
- Start-up costs or seed money;
- Community-based arts groups solely focused on engaging members through a single discipline (i.e. community choirs, bands, theatre or dance groups, art and craft clubs, etc.);
- Community service non-profit organizations that do not have arts and culture as their primary purpose and the majority of their programming/activities are not arts-centred, even if they offer some arts programming or activities;
- Organizations that solely operate venues or facilities without the primary purpose of artistic programming and production (i.e. solely operating shared studio / maker space);
- Private or for-profit entities; or
- Industrial / archaeological / heritage sites or historic places or organizations dedicated to archives.

Program Components and Grant Amounts

There are **three components** to Operating Assistance: Community Arts Organizations:

1. Basic Assistance

Award level is a minimum of \$5,000 and a maximum of \$20,000 annually.

Award levels for Basic Assistance are allocated by a peer-assessed ranking within a band determined by:

- The size of an organization's total operating budget as demonstrated by the submission of financial statements of the last two (2) completed fiscal years; and
- If the organization holds facilities, the costs associated with operating those facilities may be considered (i.e. rent, own, lease, fee-for-service agreement) including how they are managed, and as related to the programming provided by the organization.

2. Local Matching Funds

Community Arts Organizations that receive financial assistance from local and regional government sources, including First Nations Band Councils and Trusts, may be eligible for 100% matching funding to a maximum of \$5,000 annually.

FOR REFERENCE ONLY

Support levels are determined by:

- Amount of funds received from local sources in the most recently completed fiscal year;
- Requested Local Matching Funds must correspond with the previous year's financial statements that are required with this application; and
- The organization meets all qualifications for Basic Assistance, as above.

Note: Donated services and in-kind contributions from local sources are not included in Local Matching Funds request as they are not eligible under this funding stream.

3. Capacity and Program Development

Award level is a maximum of \$10,000 annually.

Award levels for Program Development are competitively assessed by considering the organization's plans for developing programming, engagement, community access, and organizational and/or artistic capacity. Consideration may also be given to organizations aligned with designated priority groups as stated above.

Applicants are required to describe specific initiatives they will undertake over the next two funding cycles.

Not all organizations who apply to this component will receive an award. Neither the funding level nor future awards are guaranteed from one program intake to the next.

As part of the [Extending Foundations: Action Plan for 2022-2024](#), the BC Arts Council is working towards more equitable distribution of funding within its stable budget.

Priority for requests for increases to past grant amounts will be given to organizations aligned with designated priority groups as stated above. A clear rationale for why additional funds are needed must be provided.

Organizations that are placed on Concerned Status under Council's Fair Notice Policy may be subject to reductions of up to 20%.

In [Extending Foundations: Action Plan for 2022-2024](#) the BC Arts Council commits to placing reconciliation, equity, diversity, inclusion and access at the centre of its activities, with the intention to rebalance historic funding distribution and modernize peer assessment. Assessment criteria are designed to speak to the diversity of ways organizations across the province can be achieving and contributing. The areas of assessment are described below along with their relative weight. While your submission should address how your activities fulfil each area of assessment, you should expect to be stronger in some areas than in others.

RECONCILIATION, EQUITY, DIVERSITY, INCLUSION AND ACCESS (30%)

The assessment panel will evaluate the organization's alignment with the priorities of Extending Foundations by considering:

- The relevance of the organization within equity-deserving communities;

- The strength of the organization's policies in upholding equity in its human resources, governance, and operational practices.

ARTISTIC AND CULTURAL CONTRIBUTION, ENGAGEMENT AND IMPACT (40%)

The assessment panel will evaluate the organization's overall artistic and cultural contribution, engagement, and impact by considering:

- The relevance of the organization to the communities it serves, as demonstrated through programming, audience development, outreach, editorial, or curatorial choices;
- How well the organization can identify the communities it serves;
- The level of artistry, risk, originality and community engagement achieved in programming, in accordance with the organization's purpose;
- The integrity of the creative and artistic processes; including research, collaborative processes, the ethical treatment of contributors, and source/physical materials;
- The level of accessibility and engagement, including but not limited to physical spaces, cultural safety, affordability, and support for diverse participants or those who experience barriers or disability; and
- The effectiveness of practices that eliminate cultural appropriation and support meaningful representation, using appropriate protocols and practices.

ORGANIZATIONAL CAPACITY AND GOVERNANCE (30%)

The assessment panel will evaluate the sustainability and resilience of the organization by considering:

- The relevance of the organization's governance, leadership and organizational structures to the organization's purpose, community, lifecycle and size;
- The achievability of the proposed programs as determined by sound budgets, planning, resource allocation, and the organization's overall financial health;
- The role of leadership, management, and the board in good governance and fostering inclusion and a healthy, sustainable workplace for all participants, paid and unpaid;
- The rigour of human resources practices, in relation to providing fair remuneration, professional development, equitable employment, cultural competency, cultural safety, and a safe and respectful workplace for all participants, paid and unpaid; and
- Organizational ability to negotiate change, adapt to new circumstances, and tolerate risk.

FOR REFERENCE ONLY

Assessment Process

Merit-based, independent peer assessment is the primary method of evaluation for all applications to this program. Assessment panels are comprised of individuals with broad professional knowledge, experience, geographical representation, and diverse aesthetic, institutional, and cultural viewpoints, including those from Indigenous perspectives.

The following process is used to evaluate applications:

- Staff receives online applications and reviews each one for eligibility;
- A review is then completed through an equity advisory structure;
- The assessment panel then evaluates the applications using the assessment criteria outlined above and recommends the level of funding and conditions on payment of awards;
- Funding allocations are approved; and
- Staff informs each applicant of the final decision in writing.

Applicants are encouraged to contact staff for feedback after results have been released.

Notification of Awards

Decisions will be made within sixteen weeks of the application deadline. Notification will be sent via the online system to the contact linked to the online application, and to the organizational and governance leadership contacts provided in the organizational profile (as applicable). Results cannot be requested in advance.

Ensure the email address **bc.artscouncil.noreply@gov.bc.ca** is on your safe sender list and check your spam folders.

Funding Status

Organizations funded through the Operating Assistance Program are subject to the BC Arts Council's Fair Notice Policy. The Fair Notice Policy warns poorly performing organizations of the possibility of a phased loss of all operating funding, unless significant improvements are achieved, through the designation and application of Concerned Status criteria.

Organizations that are placed on Concerned Status under Council's Fair Notice Policy will:

- Be required to submit a complete application on an annual basis; and
- Be subject to annual adjustments to grant amounts, including reductions.

Payment of Awards

Award payments are subject to an authorizing appropriation under the *Financial Administration Act*.

The BC Arts Council reserves the right to redistribute, delay, or suspend payments if the recipient:

- Does not carry out its planned program of activities.
- Undergoes major changes in artistic or administrative direction.
- Does not meet its obligations as a grant recipient, including submission of final reports.
- Fails to comply with legal obligations.
- Fails to respect the commitment to provide a safe and respectful workplace free from harassment, discrimination, and sexual misconduct.
